### Business or Project Sector

The [Local Jobs Fund](#) is available to businesses and projects in a Territory Growth or Developing sector, a related service and supply sector or other sector in which the Territory has a comparative advantage.

Select the category most relevant to your business or project below:

#### **Sector \***

- Territory Growth or Developing sector
- A related service and supply sector
- Other sector that leverages a unique advantage of the Territory by way of geography, climate and/or existing economic and social environment

Please identify the sector below

### Territory Growth and Developing Sectors

Select the sector to which your project or business relates.

If you selected a related service and supply sector above, identify the Growth or Developing sector that your project or business supports.

#### **Territory Growth and Developing Sectors**

### Financial Model

The business case must be supported by a financial model that includes:

- forecast revenue and expenditure over a minimum 5 year period
- expected financial returns for the project and to financiers
- details of all assumptions used in the development of the model and sources for each of the assumptions
- the balance sheet, cash flow and profit/loss statements for the entity undertaking the Project.

The financial model must clearly show that the requested Northern Territory Government support is required to enable the project to proceed.

The financial model should be provided in Microsoft Excel format. The model should be provided as a single workbook with all formulas complete and intact and with no links to external documents.

#### **Financial model \***

Attach a file:

Must be an excel file

### Financial Statements

The Application must provide full historical management or statutory financial statements and annual reports of the Applicant for the past three financial years.

The Application should also provide details of all parent companies of the Applicant and all other entities contributing finance to the project. Where finance is not being provided by a bank, financial statements and any recent annual reports of the financing entity should also be provided.

#### **Financial Statements \***

Attach a file:

Please provide details of your existing borrowings including the loan amount, term, interest rate and amount outstanding.

#### **Schedule of existing borrowings \***

Attach a file:

### Australian Taxation Office

Please upload Australian Taxation (ATO) Integrated Client Account Statement.

## Fund Products and Purposes

\* indicates a required field

### Fund Products

The Fund has a range of products to provide the flexibility to meet applicant requirements for finance at various stages of a project's development.

A single Application may include requests for access to one or more Fund Products.

In undertaking its assessment, the Territory will consider the Application in the context of the total financing solution sought and may approve, at its total discretion, the financing approach it considers best suited to the business or project. This may include a mix of Fund products

#### **Business Investment Concessional Loans:**

Provide capital to de-risk project opportunities, bring forward private investment and deliver projects to final investment decision

#### **Equity Co-Investment:**

Provide capital to high growth potential and innovative Territory ventures to secure funding and accelerate business development and growth into national and global markets

#### **Priority Sector Collaborative Grants:**

Support scoping, planning and feasibility studies and ultimate implementation of multi-user projects that support industry sectors

#### **Please select the product(s) you are applying for**

- Business Investment Concessional Loan     Priority Sector Collaborative Grant  
 Equity Co-Investment

### Loan Guarantee (Not Available)
